Request for Camp Scholarship

Camp changes lives. We know this at Hinsdale Covenant, and we are blessed to have two excellent camps to call home - **Covenant Harbor** in Lake Geneva, WI and **Covenant Point** in Iron River, MI. A scholarship fund has been set up for campers and families who are interested in attending camp, but are in need of financial assistance. Please fill out the following information and return to Pastor Lars. You will be notified within one week of scholarship funds available.

Total Registration Cost (plus transportation if applicable) _____

The Hinsdale Covenant camp scholarship fund desires to provide as much financial assistance to families as possible. Typical scholarships range from 25% - 50% of total camp registration cost. However, we know that a week at camp can dramatically impact the faith journey of a camper, so we will do everything in our power to ensure that funds are available to get students to camp. Please let us know what you can contribute, and your desired scholarship amount, and we will contact you to figure out further details. We are blessed to partner with you in giving your camper the life-changing opportunity to go to one of our amazing camps!
